The National Security Council, the Acting Secretary of the Treasury, the Attorney General, the Special Assistant to the President for Disarmament, the Director, Bureau of the Budget, the Chairman, Atomic Energy Commission, and the Federal Civil Defense Administrator, by Memorandum Action as of January 2, 1957 (NSC Action No. 1644):

RECOMMENDATIONS OF THE REPORT TO THE PRESIDENT BY THE
TECHNOLOGICAL CAPABILITIES PANEL OF THE SCIENCE ADVISORY
COMMITTEE, ODM: FOLLOW-UP STUDY

(Report to the President by the Technological Capabilities Panel of the Science Advisory Committee of the Office of Defense Mobilization, dated February 14, 1955; NSC Actions Nos. 1430-o and 1615-d; Memo for NSC from Executive Secretary, same subject, dated November 15, 1956)

- a. Noted the recommendations on the subject by the Science Advisory Committee, Office of Defense Mobilization, as transmitted by the reference memorandum of November 15, 1956.
- b. Agreed that a follow-up study of the kind specifically recommended in General Recommendation 12 (page 38) of the reference TCP Report is not necessary at this time.
- c. Directed the NSC Planning Board to undertake at least once each year, beginning with May, 1957, a review, and a revision as necessary, of the "TCP Timetable" (page 10 of the reference TCP Report), on the basis

SECRET

RECOMMENDATIONS OF THE TCP REPORT: FOLLOW-UP STUDY
(Continued)

of an initial report to be prepared by the Science Advisory Committee, ODM.

- d. Noted that the departments and agencies will conduct special periodic reviews of the areas of the TCP Report falling within their responsibilities to identify problems for special study where new intelligence or new technological advances alter our vulnerability to surprise attack.

Accordingly the above action, as approved this date by the President, is transmitted herewith for implementation of paragraph d thereof by appropriate departments and agencies. The actions in b and c above are being transmitted to the Director, Office of Defense Mobilization, for information and appropriate action by the Science Advisory Committee, ODM.
